In addition you will score points, as indicated in the following box if you provide photographic evidence of visiting the following locations. Photographs must clearly show the boat at the location. As a rough guide you will be considered to have navigated the arms if you are within a boats length of the end of the arm. Please take great care at these locations as both depth and space may be limited. Photographs must be received by the organisers by the time your cruise log is handed in to be included. Photographs may be used to promote the Challenge, the BCN Society or the BCN but will not be used for personal gain and the copyright will remain with the provider. Submission is electronically to bcnschallenge@gmail.com or by showing the pictures on your phone or camera when your cruise log is handed in. All electronic submissions will be acknowledged.
